Ecover - Laundry Range

Enjoy up to 20% off a select range of products from the Ecover laundry range that delivers outstanding results, even at low temperatures. Every bottle contains smart green science- naturally derived active ingredients- that lift dirt and stains away whilst being gentle to your skin and clothes. Our new-look range of fabric softeners contain dual-note, naturally inspired fragrances, designed to delight the senses and add new life to your laundry.

Ecover - Zero Range

Ecover products pack enough plant-based power to take out the most determined dirt. Our ZERO range is specially formulated with no fragrance, no colourings and no enzymes. And we've had the thumbs up from Allergy UK.

Marriages - Prepacked 1kg Flour

Marriage's have been milling flour in Essex since 1824. Our home baking range has won 40 Great Taste Awards, and includes: For bread-making - Organic Strong Stoneground Wholemeal bread flour traditionally milled on horizontal French Burr millstones for a nutty taste and texture. We also mill Organic Strong White and Organic Country Fayre Malted Brown bread flours; all three are suitable for bread machines and hand baking. For cakes, pastry and biscuits - as well as Organic Plain and Self Raising flours, our wholesome Organic Light Brown Plain and Self Raising flours are ideal for healthier, homemade bakes.
